About FUTURE & JPHUI

- Shenzhen JPHUI Technology Co., Ltd based in Shenzhen, we integrate R&D, design, mold making, injection molding, sales and graphic design services.
- With a professional team of over 138 people, we provide one-stop solutions from ID design to mass production.
- Our Dongguan factory base focuses on export orders, specializing in over-ear headphones, TWS and sleep audio products.
- The Shenzhen factory base concentrates on AI smart hardware, AI printers and e-commerce custom projects.
- Supported by the coordinated collaboration of the three bases, we offer full-chain ODM/OEM services for audio and smart products.

100%
Full inspection and aging of finished products

3A
All batteries meet Grade A specifications

20+
Private mold products launched per year

70+
Professional production equipments

Strategic partner of chip original factory

Complete supply chain

Source Factory | **Fast Delivery** | **Strict Quality Control** | **Full-set Supporting** | **Patent Private Mould** | **Advantageous**
